RE: CONGRESSIONAL SELECT COMMITTEE OF INQUIRY

Dear Speaker Branstetter:

I received your letter and attachments on 6th day of January, 2012, and while I have certain reservations about making these appointments based upon the separation of powers provisions, I have done so as a matter of comity and cooperation. If litigation ensues, that will be the place to officially raise that issue.

I have selected as members of the committee:

Daniel Boone
John Free
Alice Goodfox
Raymond Red Corn
Geoffrey Standing Bear

Sincerely,
