

Osage Nation Department of Education
Higher Education Scholarships Application

OSAGE NATION HIGHER EDUCATION SCHOLARSHIPS are available to Osages attending an institution of higher education including colleges, universities, professional schools and career technical schools. The Osage Nation Higher Education Scholarship is funded by **The Osage Higher Education Grant, Osage Tribal Revenue and the Morris E. & Ethel Carlton Wheeler Scholarship fund.**

There are three different scholarships for which students may apply. These scholarships are: **Tuition Fees and Books, School Supplies and Equipment, and Room and Board.** All full-time students are eligible to receive the same amount of funds; part-time students receive a pro-rated award amount based on the number of hours in which they are enrolled. The incentive portions of the scholarship are included in the **Tuition, Fees and Books Scholarship.** These monies are awarded based on your grade point average from the last semester you attended school and your leadership activities. The Chief's Leadership portion is awarded in the fall semester only; grade incentive is awarded each semester. Depending on the cost of tuition, fees and books at the particular institution you are attending, you may need to apply for all three scholarships to be awarded the full amount of funds you are eligible to receive.

All students must fill out Parts One through Five and parts Eight and Nine. This application and documents must be submitted to be considered for any of the scholarship programs. Additional documentation is required if applying for the **School Supplies and Equipment** or **Room and Board** scholarships.

Osage Nation Tuition, Fees and Books Scholarship Program

This program provides some scholarship funding for expenses associated with tuition, fees and books required due to enrollment at an institution of higher learning. To qualify, students must complete the initial portion of the scholarship application; Parts One through Five. In addition to completing the application, students must ensure that the following documents arrive in our office in order for financial awards to be distributed; Financial Aid Form, Verification of Enrollment Form, and a copy of their grades from the last semester they attended school.

Osage Nation Supplies and Equipment Scholarship Program

This program provides scholarship funding for expenses associated with supplies and equipment required due to enrollment at an institution of higher learning. To qualify, students must submit documentation of supplies or equipment required to enroll in the particular class. This documentation must come from the school and state that the item must be purchased to complete the class.

Eligible expenses are supplies and equipment that are required for the courses at the college or university at which the student is enrolled. These items must be required of all students in the particular course of instruction. Students may receive an award for this scholarship without the other

two forms of documentation (receipts, official needs statement). However, the award will be limited to supplies of the office supply variety. If a student wishes to use these funds to purchase equipment then the other two forms of documentation are needed.

Osage Nation Room & Board Scholarship Program

This program provides a financial scholarship for living expenses associated with attendance at an institution of higher learning to enrolled Osage students who demonstrate financial need. Eligible students will receive financial aid to assist with rent, utilities, meal plans, food, household and other expenses.

Whether you live off campus or on campus please make sure you fill out the part of the application that includes your utilities, rent/mortgage, transportation costs etc. The Financial Aid Form alone is insufficient as your expenses may actually be different then the school's estimate.

Before any monies may be awarded, all documentation must be received by the Osage Nation Department of Education including the application, Financial Aid Form, grade transcript and verification of enrollment. Below you will find a check list to determine if all documentation is in process. It is the responsibility of the student to ensure that documentation sent from your school to our office arrives in time to receive funding. The deadlines are as follows:

*****DEADLINES:**

**FALL — AUGUST 1
SPRING — DECEMBER 31
SUMMMER — MAY 1**

Applications can be mailed, faxed, or hand delivered to the following address:

**Attn: Jennifer Holding
Osage Nation Department of Education
